Acknowledgement of Policy Regarding Student Medications

Students who need to take any medication while on the trip must supply a written order from a doctor or dentist, as well as parental permission. Medication must remain in its original container. Parents should discuss with their physician and the trip chaperones the appropriate procedure for refill/replacement, should this become necessary during the trip.

I hereby permit that the medication ordered by a physician for my child be self-administered. I assume responsibility for granting permission for my child to self-administer medication as approved and instructed by the physician.
